CIRCULAR

**Subject:-** Ease of doing Business Reforms: Inspection by Building Proposal Office/ relevant agency as part of obtaining construction permit, Inspection by Building Proposal Office/ relevant agency as part of obtaining occupancy/ completion certificate, Construction permission enablers and Building plan approval

For the reforms mentioned above related to obtaining **construction permissions & occupancy/completion certificates**, it to state that, at present Silvassa Municipal Council is receiving very less numbers of application pertaining to industries & hotels (i.e. both total less than 10 numbers per annum), therefore creating separate portal for the subject matter is not feasible. However, at present the applications received for obtaining **construction permissions & occupancy/completion certificates** are processed through Samay Sudhni Seva & AutoDCR, URL of which are submitted on DIPP portal and inspection reports & other orders pertaining to same are uploaded on the SMC's website.
