ORDER

Whereas, Silvassa Municipal Council has issued various Construction Permissions with conditional NA use, which states that "the construction permission is granted subject to condition that the applicant shall either get NA use permission renewed from Competent Authority or get fresh NA use permission as the case may be, failing which occupancy certificate shall not be granted".

And whereas, the condition was imposed to the applicants who had applied for Construction Permission before the publication of Draft Dadra and Nagar Haveli Ribbon Development Rules, 2018.

And whereas, Silvassa Municipal Council had received various applications in this regard to review and omit the particular condition from the Construction Permission granted to them.

Now therefore, after examining and considering the requests it is decided that wherever the above condition mentioned in the Construction Permission Order which is irrelevant in such cases, where the NA use is valid and similarly in all those cases who have granted Construction Permission with the above conditions, should be considered as omitted.
